

Traditional Building Skills Courses

City & Country Bursary Scheme Application and Selection Criteria

Objectives

To provide an opportunity for acquiring experience of craft building techniques, relevant to historic buildings, for those in the building industry who could not normally afford the cost of the course, or the time and travel involved. It will be particularly suitable for independent builders and small contractors.

Eligibility

Applicants must:

- be working in the built environment
- show a commitment to expanding their knowledge of the built heritage sector

Applicants will need to describe their qualifications (if applicable) and experience, and explain why they want to attend a traditional building skills course. Candidates will not be selected solely on the basis of their previous experience or qualifications.

Application procedure

Applicants will be required to:

- Fill in an application form providing the information outlined above
- Provide one reference from a previous employer i.e. a homeowner or building company/contractor.

Selections procedure

Applications will be assessed by a panel.

If required a shortlist will be chosen and each candidate will be interviewed (by phone or face to face).

Places will not be given to unsuitable candidates even if a place remains unfilled.

Please state the name and date of the course you are applying for funding for:
